GUIDELINES FOR TREATMENT OF LYMPHOMA

- 1) This pamphlet is being provided for your information related to chemotherapy. It is important that you read it carefully and if you are unable to comprehend it then kindly have someone read it to you. In case you are unable to understand any particular point, please mark it and have the doctor explain it to you at the hospital.
- 2) Your oncologist will decide your chemotherapy medications; henceforth you shall be guided of the duration and method for usage of medicines.
- 3) The chemotherapy will either take place in the outdoor (Chemobay) or while being admitted at the hospital.
- 4) The duration of the chemotherapy (including tablets, injections, drips and injections) may vary. Therefore, make sure that you are free of any business/domestic engagements on the day of the chemo. It is recommended that your attendant/relative stays with you on the day of chemo.
- 5) We shall conduct tests at different intervals of the treatment to find out the undesirable effects of the treatment. This may include bone marrow biopsy.
- 6) Various blood tests will also take place at all stages of the treatment to determine adverse effects of the treatment under the guided supervision of your doctors.
- 7) It is important that you remain in close proximity to the hospital during your entire treatment and

have someone dear/close relative to look after you. The reason being that you can reach out to the Hospital Emergency in case your health deteriorates.

- 8) All information regarding cleanliness and nutrition will be provided to you. Please follow these instructions dutifully.
- 9) During the treatment, if your health deteriorates, you may have to be admitted at the hospital.
- 10) It is required that you understand the punctuality of medicine intake and injections that are vital for your effective treatment and the foremost priority for efficient results.
- 11) It is for your benefit that you try to memorize the name of the regimen of your chemotherapy and to have knowledge of the information related to booking at Chemobay or date of admittance.
