

Each Meal Can Help Heal

Shaukat Khanum
Memorial Cancer Hospital
and Research Centre

Donate a Meal

While eating healthy is essential for all, each cancer patient has their own dietary and nutritional requirements. Some may be able to eat, solid food while others may require a soft diet or tube feed. By choosing to donate a meal, you are helping us to fulfill the special dietary needs of cancer patients at Shaukat Khanum Memorial Cancer Hospital and Research Centre and giving them the strength and energy to fight cancer.

SKMCH & RC's Food Services Department is Pakistan's first Hospital-based kitchen to receive the HACCP certification, an internationally renowned food safety standard accreditation. Following the guidance of SKMCH & RC nutritionists and physicians, our Hospital kitchen prepares each meal with the utmost attention to nutrition and hygiene.
