

# AMERICAN ASSOCIATION *of* CONTINUING MEDICAL EDUCATION®

**Scanalyze your Bones - DXA Scan in bone health assessment**

August 31, 2021

## Accreditation Statement

This activity has been planned and implemented in accordance with the Association's Accreditation Standards & Policies.

**Shaukat Khanum Memorial Cancer Hospital and Research Centre** is accredited by the **American Association of Continuing Medical Education®** to sponsor continuing medical education for physicians.

The Organizing Committee of the **Scanalyze your Bones - DXA Scan in bone health assessment** takes responsibility for the content, quality and scientific integrity of this CME activity.

The Organizing Committee of the **Scanalyze your Bones - DXA Scan in bone health assessment** presents this activity for educational purposes only.

Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine.

The content of the presentations is provided solely by presenters who have been selected because of their recognized expertise.

## Credit Designation

The Accreditation Review Committee (ARC) of the **American Association of Continuing Medical Education®** designates this medical education activity for a maximum of **1.25** hours in the Category 1 credit of the Association's Designation. Each physician must claim only those credits that he/she actually spent in the activity.

## Conflict of Interest Disclosure

It is the policy of the **American Association of Continuing Medical Education®** to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs.

All faculty participating in continuing medical education activities sponsored by the **Shaukat Khanum Memorial Cancer Hospital and Research Centre** are required to disclose to the program audience any real or apparent conflict of interest related to the content of their presentations.

All faculty are also required to disclose any discussions of unlabeled/unapproved uses of drugs or devices.
